

Northern Michigan Bank & Trust eStatement Service Agreement & Disclosure

This eStatement Service Agreement & Disclosure ("Agreement") is made between you and Northern Michigan Bank & Trust ("Bank") for the purpose of receiving an electronic version of your account statement online, for receiving electronic notifications that your electronic statement is available for your account ("Service") and is an extension of our Online Banking Agreement & Disclosure. This Agreement applies to each account you have with Northern Michigan Bank & Trust where electronic statements are available ("Account"). As used in this Agreement, the words "we", "our", and "us" mean Northern Michigan Bank & Trust, and the words "you" and "your" mean the account holder who has elected to receive his/her electronic statement and electronic notification.

The same terms apply with respect to eStatements as for those delivered in paper form, and the deposit agreements and disclosures that you have previously entered into with or received from the Bank remain in effect. It is recommended that you read this carefully and print it for future reference.

CONSENT

For the Bank to begin forwarding your Bank Statements to you electronically, we need your consent. Your consent, which will be given by selecting "**I AGREE**", is to authorize the Bank to forward to you electronically your periodic Bank Statements, including any other disclosures and legal notices that normally accompany your mailed statement that relate to your account(s). If your Northern Michigan Bank & Trust account is jointly owned with another person, either one of you may consent to receive electronic disclosures and access eStatements. That person's election to access eStatements shall then apply to both of you.

The Bank will send you an email on an ongoing basis to your primary email address notifying you that your eStatement(s) is ready to be viewed. By agreeing to have your Bank Statements sent electronically, it is your responsibility to notify the bank of any changes in your email address, or any errors or complications relating to electronic access of your Bank Statements, by immediately calling (906) 786-0221.

ELIGIBLE ACCOUNTS

eStatements are available for most savings, checking, money market and loan accounts. Northern Michigan Bank & Trust reserves the right to determine from time to time which accounts may be eligible for eStatements. You may elect to receive your periodic statement online for all or selected eligible account(s). Each account must be activated for the service on an individual basis, and will be available at the same frequency as your statement was previously mailed. To enroll your account(s) for eStatement, simply log in to *Money Talks Online*, click on the Statements link on the navigation panel (left side) and follow the online instructions to select the accounts you would like electronic statements for. All future eStatements will be accessible by clicking on the Statements link under the "**Accounts**" section.

ACCESSING eSTATEMENTS

After receiving notice that your eStatement(s) are available, you may then go to our website, www.nmbank.com and login to *Money Talks Online* using your User ID and Password. Once logged in, your eStatement may be viewed by clicking the Statements link on the navigation panel (left side). Once enrolled, you will be able to view 13 months of statement history. Information prior to registration may not be available online. Access to history may vary by account type. All statements are viewable electronically in PDF (Portable Document Format) which can be viewed online, saved to your computer or printed at your convenience.

If you elect to receive your Bank Statements through electronic delivery, the Bank will no longer send you your statements through the mail. To obtain paper copies of a particular statement, please call the bank at (906) 786-0221 or email us at bookkeeping@nmbank.com. Our normal research fees will apply.

If you close your account or cancel the service, you will no longer be able to view your account statements online. Before canceling the Service or closing your account, print or electronically save copies of your eStatements for your records.
